

THE NATIONAL CAPITAL REGION 9/11 MEMORIAL STAIR CLIMB

Hosted by The Prince George's County Fire/EMS Dept.

On September 16th, 2017, the National Capital Region 9-11 Memorial Stair Climb/5K Walk will once again be held at the Gaylord National Resort and Convention Center at the National Harbor. This event is a representational way to honor and remember the FDNY firefighters who selflessly gave their lives so that others might live on 9-11-2001. Each participant pays tribute to a FDNY firefighter by climbing the equivalent of the 110 stories of the World Trade Center. Your individual participation not only remembers the sacrifice of a FDNY firefighter, but it symbolically completes their heroic journey to save others. Through firefighter and community participation we can ensure that each of the 343 firefighters are honored and that the world knows that we will never forget.

Proceeds raised from this event will assist the National Fallen Firefighters Foundation create and maintain programs which care for fire service survivors. Your support of our tribute provides assistance to the families and co-workers of the 343 firefighters who we lost 16 years ago on September 11, 2001.
